WELCOME MESSAGE

4th National Hip Course 2027

Dear Colleagues, Friends, and Esteemed Delegates,

It gives us immense pleasure to welcome you to the **4th National Hip Course 2027**, being held at **Le Méridien, Turbhe, Navi Mumbai**, on **9th & 10th January 2027**, with dedicated pre-conference workshops on 8th January 2027.

Over the years, the National Hip Course has evolved into a premier academic platform dedicated exclusively to hip surgery and preservation. As we gather for its fourth edition, we are excited to continue our mission of advancing knowledge, fostering innovation, and strengthening collaboration among orthopedic surgeons committed to excellence in hip care.

This year's program has been thoughtfully curated to address the entire spectrum of hip disorders and their management. From hip preservation and arthroscopy to primary and complex arthroplasty, trauma, revision surgery, biomechanics, and emerging technologies, the course aims to provide practical insights that can be directly translated into clinical practice. Through expert-led lectures, interactive case discussions, panel debates, surgical video sessions, and hands-on learning opportunities, delegates will gain exposure to the latest evidence-based approaches shaping the future of hip surgery.

The pre-conference workshops have been designed to offer an immersive learning experience, allowing participants to refine surgical skills, understand evolving techniques, and engage closely with renowned faculty members. We believe that these focused sessions, combined with the scientific deliberations during the conference, will create an enriching environment for both young surgeons and experienced practitioners.

Beyond academics, the course provides a valuable opportunity to reconnect with colleagues, exchange ideas, build professional relationships, and inspire future collaborations. It is through such meaningful interactions that we continue to advance our specialty and improve patient outcomes.

On behalf of the organizing committee, we extend our heartfelt gratitude for your participation and support. We look forward to welcoming you to Navi Mumbai and wish you a rewarding, insightful, and memorable experience at the **4th National Hip Course 2027**.

Warm Regards,
Dr. Sushrut Babhulkar
